Dear Mr. Retailer,

My family and I love Big John's brand pickled snacks, and I would like to suggest that you add their line of products to your store.

Red Smith Foods is a manufacturer of the best-selling pickled snacks in the industry and has many varieties that I know I would buy, and that I think others who shop here at your store will purchase as well. I've put a check next to the ones that I am most interested in and circled the sizes. Thank you for taking the time to consider my request. Please let me know if you do decide to stock their items, and please feel free to contact me if you need any other additional information.
